

WHY DO PHYSICIANS AND PROVIDERS CHOOSE ANSWER HEALTH?

PERFORMANCE

Answer Health is among the top-performing organizations in the state in quality, cost, and patient experience every year.

As a result, AH offers market-leading value to patients and reimbursement for providers.

Ninety-six percent of all Answer Health practices achieve value-based reimbursement rewards, paid throughout the year.

SUPPORT

Answer Health providers access a wide range of services and staff that enable high performance and cost savings for practices.

Our clinical, contracting, finance, IT and performance improvement services are centered on exceptional patient care, practice efficiency, and risk performance.

INDEPENDENCE

Answer Health providers are fiercely independent and choose the right healthcare systems and settings based solely on patients' clinical needs.

As an AH provider, you work for your patients, your teams, and yourselves — we work for you!

WHO IS ANSWER HEALTH?

Answer Health is a clinically integrated network of independent physicians and providers, serving patients in 26 counties across the Western third of Michigan.

We are committed to enhancing the quality of life at all stages and advancing the practice of medicine through coordinated, evidence-based, and personalized care for every patient.

WHAT WE DO

Answer Health provides clinical, operational, analytic, and performance improvement services to market-leading independent medical practices in support of exceptional patient care and enhanced financial performance. Our providers and their patients have benefits that grow with their participation in our programs.

Whether you need to find a local primary care doctor or require access to a broad range of specialties, Answer Health offers the resources, information, and support to meet your needs.

AH provides unparalleled support to independent physicians by offering

- Enhanced clinical care and resources through a collective emphasis on evidence-based care and quality.
- Leading value-based contracts, support, and performance.
- Transparent reporting on performance and outcomes to ensure accountability.
- Advanced data and staff support for quality improvement.
- Operational and financial support to maximize practice efficiency.

WHY DO PATIENTS CHOOSE ANSWER HEALTH

PERSONALIZED CARE

Answer Health's independent physicians and providers offer personalized care to meet the individual needs of every patient, from infants to seniors. Our consistent focus is on doing what is best for each patient and their family.

QUALITY AND VALUE

Answer Health consistently ranks among the highest-performing providers in the state for quality, cost of care, and patient experience. We are recognized by patients and health plans for our exceptional care and value.

PATIENT CHOICE

Patients have choice, and your independent Answer Health provider will partner with you to choose the best treatments, specialists, and facilities — and coordinate your care across all health systems and locations.

LONG-TERM RELATIONSHIPS

Independent providers own their practices and are committed to patients and the community for their entire career, fostering trusted, long-term relationships with patients.
